

Snapshots of the Week

Week: 28 March to 01 April 2022

This week...

Year 3

The Year 3 learners have had great fun with their quest for the module 'Make it Stick!' this week. They have used their scientific knowledge, measuring and sawing skills to create a magnetic fishing rod phonics game! They wrote some very persuasive adverts for their game and cannot wait to show the Year 1 learners what they have made to help them practice reading real and alien words!

Year 4

For the last two weeks the Year 4s have been learning how to prepare eggs, and they have blown us away with their enthusiasm and aptitude. They have learned how to boil, scramble and poach eggs, and have enjoyed tasting them too! They have also been conducting some market research into the breakfasts offered in local restaurants and have prepared their own menus. We are really proud of them and all their work.

Sporting

This week in our EYFS and KS1 PE lessons we had the pleasure of inviting Rob from Dorset County Cricket back into school to run some engagement sessions. Our learners got to practice their catching skills, try their hand at some bowling and finally picked up a cricket bat and hit some balls. Rob couldn't speak highly enough of the enthusiasm all our learners brought to the sessions and the effort they put in to all that was asked of them. Super proud of all of them.

Donation

We would really appreciate any spare wool you may have which we can use in various projects in the Summer Term. If you can help please bring this to the school office, thank you in advance.

Attendance

If your child is going to be absent due to illness please ensure you call the school office by 9.30am at the latest. Please do not email the class teacher as this may not be forwarded to the school office by the time they complete attendance.

We are seeing an increase in requests for leave within term time, we would like to remind parents that this should only be requested under exceptional circumstances and the correct form completed via the school office. Please do not email the office or teachers/senior leaders direct.

Last Day of Term

the last day of term there is the option for you to collect your child early should you wish. Early pick up on this day will be at 1.30pm. School will not be closed and families are under no pressure to take their children early. Those families who wish to, may collect their children at the usual time of 3pm – 3.15pm. Please note, there are no After School Clubs on this day.

Please complete the form via <https://forms.office.com/r/fwsWWaStx6> and select the time you will be collecting your child.
