

Snapshots of the Week

Week: 01 April to 05 April 2019

This week.....

Joe Wicks at Springdale

Thanks to an invitation from Springdale First School, 29 very excited Year 3 and 4 Broadstone First School learners and 5 equally excited members of staff headed off to Springdale First School on Friday 29 March to take part in Joe Wicks's School HIIT Tour. The tour was aimed at getting 10,000 school children across the country participating in workouts over a 5 day period. A big well done to all the children who represented BFS at the event, a fabulous afternoon was had by all!

Y3 Authors

The adventure story writing has begun. The children have started to write their opening paragraph to engage the reader. We have been blown away by their imaginative openings and choice of sophisticated language. We thought we would give you a little preview...

By the time the three siblings had arrived they were puffed out of breath. The ruins were far away from their tiny, wooden cottage. "Are we there yet?" Rose asked curiously. (Amy L)

"Aaaaaarrgh!!" cried Jack as he rolled down the hill at what seemed like the speed of light towards the small, lonely little moat. Probably the saddest, smallest moat they had ever seen. (Sam H)

Beep Beep went the microwave as their parents lunch came out of the flaming, boiling microwave. "Let's go!" exclaimed Jack. They set off down the narrow, twisty path. (Olive G)

Jack didn't join, he wanted to have fun rolling down the hills. Jack was a timid boy and spent lots of time in his room. "Come on Jack." Pleaded Rose "If you don't join us you will be starving in the castle. (Darcey)

Y2 Great Fire

We created our own houses typical of ones you would see on Pudding Lane back in 1666 before the Great Fire. We had a very exciting time watching them burn and we were amazed to see how fire spreads so quickly. This authentic experience helped us to appreciate how dreadful the experience must have been for the people of London as they watched helplessly as their homes burned. We have also been learning scientifically about how certain materials are more flammable than others. Our drama workshop helped us with our diary writing as we acted out the days leading up to the Great Fire and what life was like before one of the most significant historical periods changed London forever.

Corfe Hills Work Experience

Over the past two weeks we had 7 students from Corfe Hills completing their work experience with us. Their enthusiasm and support has been much appreciated and it has been great to see some familiar faces.

Reminders for first week back...

Clubs

All after school clubs and music tuition will be running as normal.

Drum Lesson

First week will be on Tuesday 23rd due to tutor being unable to provide a lesson on Thursday 25th.

This week continued...

Coffee Morning

We had a successful coffee morning this week with Nicki Jones Pastoral Lead, the School Nurse and the Family Outreach worker. It was a great opportunity for families to connect and share their experiences over a cup of tea and a biscuit. We will be offering events like this in the future, more information follow.

Message from Mrs Wood

It has been a fantastic term full of exciting learning experiences and we are extremely proud of every single one of our learners and their hard work. We would like to take this opportunity to thank you for your continued support and wish you a restful Easter break. We look forward to seeing you all back in school on Tuesday 23rd April.

How can I become a parent helper/volunteer in school?

We are always looking for more volunteers to come into school and support us, whether this is with reading, supporting in class activities or joining us on school trips.

If you are interested in joining our team of volunteers to provide support across the school, we would love to hear from you. Guidance from teaching staff is always available and a detailed Volunteer Handbook and induction will also be provided which will guide you through the various scenarios you may come across. Volunteer application forms are available from the school office.
