

# Snapshots of the Week

## Week: 25 March to 29 March 2019

### This week.....

#### YR Sharing their final stories with our community

Each of our Reception classes had their last trip to Waterman House and Home Corfe House this week. They proudly and confidently showed/read the residents their book/adaptation of 'Odd Dog Out'. We are extremely proud of all the children and the residents hope we can join them again in a new topic.

#### Y3 Adventures of Corfe Castle

The children thoroughly enjoyed their trip to Corfe Castle, and what a lovely day of weather they had! The day started with a guided tour where they heard the story of those who have lived, worked and fought there over many centuries. We do hope they share the stories with you.

#### Y1 & Y2 Multi Sports event

11 Year 1 and 2 children had a really great afternoon at Carter Community School taking part in Broadstone First Schools second Multi - Skills Event. They got to work as a team to win points on lots of different activities from relays to bean bag balancing. Everyone had a really good time and we finished 2nd out of 8 schools which was amazing! A big thank you to all the parents, friends and relatives who came to cheer us on.

Subhan Khan - Sports Ambassador

#### Y3 & Y4- Sporting Team up event- Shaftesbury

Twelve Year 3 and 4 learners travelled to St Mary's School in Shaftesbury to take part in the School Games Team Up Challenge. Our learners got to take part in an amazing variety of sports and activities from Futsal, Curling and Yball to Kite building and Orienteering. ALL our learners did Broadstone First School proud with their amazing behaviour and "Can do" attitude. A great big well done to all the learners who took part.

### Reminders for next week.....

#### Clubs

All after school clubs and music tuition will be running as normal (except Friday last day of term)

**Coffee Morning with School Nurse, Family Outreach and Nicki Jones 9am**

Wednesday 3 April

### This week cont...

#### School Discos

Huge thank you to our School PTA, they did a fantastic job organising both discos. Also a thank you to the parents that gave their time to help and support. All the children that attended thoroughly enjoyed themselves! 'Come and join the conga!'

### We understand why the school are no longer doing fortnightly blogs but how else can I find out about what my child is learning in school?

After reviewing the effectiveness of the school blogs back in September, we made the decision that we would no longer be updating these as demand was low. However there are still many ways you can find out about what your child is learning in school. All year group's curriculum overviews are detailed on our school website under the Learning and Teaching tab. These overviews outline the National Curriculum objectives that will be covered in each year group and the breakdown of the topics they appear in. This will give you an overview of what your child will be learning and when. Further to this, the Learning Pathways will be uploaded to the website which will entail detail on the topic including time scale, rationale, how our values are taught and how you can support at home. The knowledge organisers/foundation packs will also support in giving guidance on the learning that is taking place. If you would like more information than please do speak to your child's class teacher who will be more than happy to update you on what your child is learning.
