Dear Parents/Carers

Odd Socks Day – Anti Bullying Week

This year the theme for Anti-Bullying 2020 is United Against Bullying. On the first day of Anti-Bullying week Monday 16 November it is Odd Socks Day, to support this please can children wear their odd socks. We can't wait to see their crazy colours and patterns!

This year, more than ever, we've witnessed the positive power that society can have when we come together to tackle a common challenge.

Anti-Bullying Week is no different. Bullying has a long-lasting effect on those who experience and witness it. But by channelling our collective power, through shared efforts and shared ambitions, we can reduce bullying together. From parents and carers, to teachers and politicians, to children and young people, we all have a part to play in coming together to make a difference.

We're all a piece in the puzzle, and together, we will unite against bullying.

During this week the children will be taking part in various activities, one of these being creating their piece of the puzzle on what they choose to do to make a difference e.g. "I choose to be kind and not leave people out at playtime.' Or 'I choose to tell an adult if I see someone being bullied.'" We look forward to showing you pictures of the children's' creations at the end of that week.

As always if you have any concerns or queries please do not hesitate to contact your child's class teacher.

Kind regards
