

23 October 2020

Dear Parents/Carers

Children in Need Week

At Broadstone First we are committed to ensuring healthy and active lifestyles. We are excited to let you know that week commencing 9 November to 13 November we will be supporting and raising money for Children in Need.

This year we have organised an event called '**Dash to Lapland**' where the children will be sponsored to complete a dash around the school, **this will take place on Friday 13 November**. We have calculated that there are 2109 miles to Lapland from Broadstone First School, to get us there each child and staff member will be completing their regular daily mile each day plus one extra special 'Dash' on the Friday. Should the weather be poor and we are unable to go outside then we will use the main hall or around the school following paths. This will be all completed in their bubbles and we will ensure social distancing is adhered to.

Please can all children come to school in their PE kits on Friday 13 November 2020, they are welcome to also wear any Children in Need accessories or a Christmas Hat if they chose (optional).

Attached to this letter is our sponsorship form. Week commencing 9 November there will be two labelled black buckets placed at the entrance of the one-way system for your sponsorship forms and monies to be put into. Please can this be returned by Friday 13 November 2020 at the latest. Please ensure the children only ask family members and friends known to them for sponsorship.

We know things have been difficult this year, but together, we really can make a huge difference in a time when it's needed most. Please don't feel you have to go and find lots of sponsors, even the smallest amount can make a big difference, we look forward to updating you on the total amount raised.

Children in Need - Their recent research shows that right now the coronavirus pandemic is having a huge impact on the mental health and wellbeing of UK children, and for those who were already facing disadvantages, life has become incredibly difficult. Together, with your help, we can support thousands of children and young people and help change lives.

We really appreciate your support and hope that the children will have fun helping us raise lots of money for Children in Need!

Kind regards

Sophie Burke
