

22 February 2021

Dear All

We hope you had a lovely half term and enjoyed some well-deserved time together as a family, away from home learning.

It has been a very EGGCITING day here for us at BFS. Today, we were delighted to welcome three new members to our BFS family.

We are now proud owners of three beautiful chickens who are taking residency here at BFS. Our chickens moved into school during the half term and our wonderful site team are busy creating their new home. We will continue to send you updates and cannot wait for you all to meet them.

We need your help!

The next job is to decide on the names for our new chickens. We would like to open this to all our BFS learners. As much as we are not together at the moment, we still need your help. We need you to think creatively and suggest the best names for each of our new residents.

Please email your ideas into the school office on office@broadstonefirst.poole.sch.uk by Friday 26 February. We will then look at all entries and announce their names early next week. We cannot wait to hear your ideas!

As always if you have any questions, please do get in contact.

Best wishes

Rebecca Wood

Head of School
