Dear Parents/Carers

Parent Consultations - Post Lockdown Reports

Following the recent post lockdown report, we would very much like to invite you to attend an individual consultation to discuss your child's report further, their next steps, as well as how they have settled back into school following the last period of remote learning.

Despite national restrictions beginning to ease, we are still erring on the side of caution to ensure we keep everybody as safe as possible. Therefore, we are sadly unable to offer face to face meetings at this time. Instead we are offering either a virtual appointment via Microsoft Teams or a telephone conversation.

These will take place on **Monday 17 and Wednesday 19 May from 3.30pm - 6.30pm**. Each appointment will be assigned a 10-minute slot. We ask that parents support us in keeping to these times to ensure the evening runs smoothly and to time for all families. Should you feel further time is needed then your child's class teacher will happily book in another time to meet with you.

Should you wish to book either a virtual consultation or individual phone call, then please email your child's class teacher directly from today to arrange a time that suits you both. If you do not have your child's class teacher email, please contact the school office who will happily provide this for you. All appointments will need to be made with your child's class teacher by **Wednesday 12 May**.

Details of how to join your meeting will be emailed directly to you.

We thank you for your continued support and as always if you have any questions or concerns please do get in contact.

Best wishes

Rebecca Wood
Head of School
