Dear Parents/Carers

Relationship and Sex Education (RSE) Consultation

Here at BFS we follow the Jigsaw scheme of work for aspects of PSHE (Personal, Social, Health and Economic) education. Statutory Relationships and Health Education and non-statutory Sex Education are an important part of PSHE programme which is delivered through the 'Relationships' and 'Changing Me' puzzle pieces.

Nationally, there have been changes to Sex and Relationships Education regarding what primary schools must legally teach and we would like to consult on these changes and what this means for your child. We have used the Jigsaw programme alongside the guidance to ensure we have developed a Relationships and Sex Education programme which is age appropriate for all our learners.

Below is a summary of RSE coverage within the Jigsaw scheme for each year group:

Reception	Growing up: how we have changed since we were babies
Year 1	Boys' and girls' bodies; naming body parts
Year 2	Boys' and girls' bodies; body parts and respecting privacy (which parts of the body are private and why this is)
Year 3	How babies grow and how boys' and girls' bodies change as they grow older
Year 4	Internal and external reproductive body parts, body changes in girls and menstruation

A detailed overview of the scheme of work can be found within our policy on our school website. This also includes information about the right to withdraw and the process by which to do so.

We would very much welcome your support and comments regarding these changes. Should you wish to comment, share your view or ask any further questions please email the school office at office@broadstonefirst.poole.sch.uk by Wednesday 30 June. We will review all comments and include this within the consultation.

Best wishes

Rebecca Wood
