Dear Parents/Carers

As we reach the end of the school year, I want to take this moment to once again share with you how proud we are of each and every learner. As always, they have been incredible and despite a disruptive year they have been determined and positive in their approach. We are all so proud how they have grown and learnt this year. It is important to also say a massive thank you to our families and all of the support and thanks you have shown to the teachers and staff who have looked after your children. This week we have been flooded with gifts, cards of thanks and kind words, we really do appreciate these and thank you for all you have done this year to support us as a school and your child during their time learning at home. We hope you all have an incredible summer holiday, enjoying the glorious weather and making memories together as a family.
