

Snapshots of the Week

Week: 07 September to 11 September 2020

This week...

Welcome Back

A huge welcome back to all our learners and families. We would particularly like to welcome those learners and families who have joined us in Reception and those of you who are new to the school in other year groups.

It has been fantastic to be able to welcome you all back to school. We are immensely proud of all the learners. All the children are working extremely hard and have shown great resilience and determination in returning. They have settled well into their new classes and enjoying being back in school, seeing their friends and teachers. It's safe to say all staff have enjoyed returning and seeing so many smiling faces!

A big thank you for all your support so far in ensuring we can make BFS as COVID safe and secure as possible-particularly at drop off and pick up. We really appreciate all the feedback we have received from families with regards to the procedures. This feedback is extremely helpful to us so thank you. Please can we ask you continue to keep a safe distance as you move around the school site and support us by social distancing. Once you have collected your child at the end of the day please leave the site promptly. As ever if you have any feedback or questions please do not hesitate to get in contact by emailing the school office. office@broadstonefirst.poole.sch.uk

We hope you have a lovely weekend and a well-deserved rest.

Y3 Ancient Egyptians

In Year three we have had a fun filled first week back. The children have really enjoyed learning about the Ancient Egyptians and were treated to a mummification demonstration in the week. The children were able to watch as Embalmer Rodney carefully mummified a Pharaoh. The children then went on to write incredible sets of instructions using the different sentence types we have been learning about paired with their new knowledge of the mummification process.

Well done, Year 3!

Welcome Reception

Yesterday saw us welcome our new reception learners. We were so happy to see so many smiles at the gates as we welcomed you all into your new classrooms. We were amazed to see all our learners reconnect with old friends and make new friendships, which is ultimately the aim of the *stay and play*. Also, it was incredible to see the learners adjusting to a few of the classroom routines we will have in place throughout the year so quickly.

I hope you had as much fun as we did, and we look forward to seeing you all next week.

Reminders for next week...

Arriving on Site

Please do not arrive onsite before 8.30am unless you are booked into morning club. At the end of the day please do not arrive on site before 2.45pm - Thank you for your support.

After School Club

Children will stay in their own class for after school club. Please collect your child from their classroom door via the one way system.

Pick Up Arrangements

If your child is being collected by someone other than yourself please contact the school office either by phone or email to inform us of the arrangements in place. This includes if your child attends an alternative after school setting such as Cuddles or Blossoms. If this is a one off arrangement then please inform the class teacher that day.
