

Snapshots of the Week

Week: 28 September to 02 October 2020

This week...

PE Challenge

Wow what an amazing week all our learners have had taking part in our new weekly Key Stage PE challenges. Our Key Stage 1 and Key Stage 2 learners have been competing to see as a class who could run the most shuttle runs over a 10-metre distance in 10 minutes. Our Reception learners have also joined in the fun and been trying their hand at balancing. They have been counting how long each member of their class could balance on one leg.

So, to the results.... This week's winners are as follows

Key Stage 2

Foxgloves with 3508

Key Stage 1

Daffodils with 2254

EYFS

Bluebells with 11mins 24 seconds

We are all so super proud of the commitment and resilience all our learners showed in completing this week's challenge. Next week all our learners we be challenging themselves to see how far they can jump when completing a standing long jump! Good luck!

Reception

Reception have been very busy looking at superheroes, their outfits and special powers. They have started to design their own superhero costumes, ready to bring home to share with you soon!

Year 1

This week our Year 1 learners have been learning all about Healthy Eating. They have enjoyed designing what would go in their own healthy eating lunch boxes, as well as learning all about the food groups. Well done year 1.

Year 2

Year 2 have been reading a book called Flotsam by David Wiesner. As it is a wordless book we have been learning to use inference and prediction skills to work out what is going on in the book. We have had some very interesting conversations especially around what the word flotsam means and how old cameras work compared to the latest phones. They couldn't believe that we used to wait for photographs to be delivered by post!

Year 4

In Year 4 the children have been very enthusiastic about their learning - 'Lest We Forget' which looks at World War II. They have been very keen to share stories regarding their relatives who have fought in the War or contributed to the War campaign. So far we have looked at the use of propaganda and the events which occurred after September 1939.

Reminders for next week...

Arriving on Site

Please do not arrive onsite before 8.30am unless you are booked into morning club. At the end of the day please do not arrive on site before 2.45pm - Thank you for your support.

The colder months

As the temperature begins to drop and the rainy days begin we would just like to remind you that we will continue to keep windows and doors open around the building to ensure ventilation. This is based on the government guidance published to schools. We ask that you ensure your child is dressed appropriately, such as wearing an additional layer under their uniform. We also ask that they bring a labelled coat to school daily.

Designated Safeguarding Leads

Rebecca Wood

Designated Safeguarding Lead

Lisa Thompson-Purvis

Designated Safeguarding Lead

Fiona Lord

Deputy Designated Safeguarding Lead

Louise Graves

Deputy Designated Safeguarding Lead

You will always find one of us out on the gates at drop off and pick up and are welcome to call/email if you have any concerns.
