

# Snapshots of the Week

## Week: 05 October to 09 October 2020

This week...

### PE Challenge

It's been another great week for all our learners on the sporting front. This week we have seen both Key Stage 1 and Key Stage 2 competing in a Standing Long Jump Challenge with the top five boys and girls distances in each class being combined to give a class total. Our Reception learners have also been doing an incredible job of practicing their standing long jump onto a point scoring target.

So, to the results... This week's winners are as follows:

**Key Stage 2** Hebes - 14m 16cms

**Key Stage 1** Dahlias - 12m 4cms

**EYFS** Buttercups 555 points

We continue to be amazed at how much enthusiasm and team spirit our learners have when competing in our weekly challenges, it really is a joy to see them all enjoying their exercise so much. Coupled with this we have been blown away with all our families who have joined in with our Walk to School/ Park and Stride week. Our learners have thoroughly enjoyed chatting about their journeys to school and learning about the benefits that walking can have on both their physical and mental well - being.

Next week's PE Challenges will see our learners throwing for accuracy!

### Year 4

This week the children have been looking at what it was like to be an evacuee in WW2. We have watched videos from children who were evacuated and how this impacted on them. We are looking at what we would be allowed to pack in our suitcases and the emotive language of how we would feel about being evacuated to the countryside. Next week we will be writing a diary about the experience of being evacuated.

### Year 1

We are super proud of all our learners in Year 1 this week. They have been focusing on their handwriting. They have been building on their learning from Reception and have been introduced to pre-cursive handwriting style using handwriting guidelines to help with the sizing and positioning.

Well done Year 1 - we have already seen such an improvement.

Reminders for next week...

### Pick Up

Please can we ask you continue to keep a safe distance as you move around the school site and support us by social distancing. Once you have collected your child at the end of the day please leave the site promptly. As ever if you have any feedback or questions please do not hesitate to get in contact by emailing the school office.

### COVID - Meet the Teacher Opportunity

If you have emailed your child's class teacher regarding a personal phone call to discuss how your child has settled into school. These will commence from Monday 12 October until Thursday 22 October. These appointments are allocated in 10-minute slots and whilst we plan not to overrun in the case that this does happen the teacher will be in contact with you as close to your time slot as possible.

### Thank you!

A massive thank you to everybody who donated items for our Reception Base. We have been overwhelmed with your generosity.

We cannot wait to show you what we are doing with it all.

### Designated Safeguarding Leads

**Rebecca Wood**  
Designated Safeguarding Lead

**Lisa Thompson-Purvis**  
Designated Safeguarding Lead

**Fiona Lord**  
Deputy Designated Safeguarding Lead

**Louise Graves**
