

Snapshots of the Week

Week: 12 October to 16 October 2020

This week...

PE Challenge

The penultimate PE challenge of Autumn Term One has seen all our learners competing across their respective Key stages in varying throwing for accuracy challenges. Key Stage 1 were challenged to score points into standing targets whilst Key Stage 2 were shooting baskets, with all learners scores being combined to give class totals. Our Reception learners have also been practicing their throwing skills onto a point scoring target.

So, to the results... This week's winners are as follows

Key Stage 2

F-M-N - 90 points

Key Stage 1

Clover - 290 points

EYFS

Buttercups - 690 points

We have absolutely loved seeing the competitive spirit begin to emerge amongst Key Stages this week.

Next week's PE Challenges will see our learners running as team in the last PE challenge of the Autumn Term.

Good luck everyone, we are so super proud of all your efforts.

BFS Sports Ambassadors

We are very excited that we will be able to announce our Year 4 learners that have been selected to represent BFS as Sports Ambassadors for the 2020/2021 academic year next week. Once are successful Sports Ambassadors have completed their Playground Leader Academy training they will work as a team to become the pupil voice for PE and promote sport and physical activity to all our learners within BFS. They will be role models for physical activity and school sports whilst upkeeping the six school games values of determination, honesty, passion, respect, self-belief and teamwork.

Reception

We have been really enjoying looking at the wonderful superhero costumes that you have been making and sending in via Tapestry. We can't wait to share them all with the class - thank you! We have had a very exciting week in Reception, the children have been working very hard on learning their sounds and are now practising reading simple words - they have really impressed us!

Year 4

This week in Year 4 the learners have been making chalk pictures of the Blitz scene in London. The children created a template of the London Skyline during WW2 and used this to copy onto their black paper and then cover the picture in chalk to represent the blasts from the bombs dropped from the planes flying above. The learners toughly enjoyed creating their templates and getting to use chalk as a medium for art.
