

# Snapshots of the Week

## Week: 29 March to 01 April 2021

### This week...

This half term has flown by. Despite COVID restrictions and most children being at home for the first couple of weeks, we have still been able to do some amazing things throughout the term.

As you have seen from previous snapshots the children have had an amazing couple of weeks focusing positivity, community, story writing, sports etc. We are unbelievably proud of every single one of them. Everyone has worked so hard to keep the school going and we have made it to Easter. We can't thank everyone enough.

Thank you for all your support throughout the term - we really do appreciate it. We will see you on Monday 19 April 2021. Enjoy a lovely break with your families, stay safe and enjoy some time together.

Happy Easter from all of us at BFS!

### Year 2

Year 2 have been learning all about common and wild plants. We loved watching the Alice In Wonderland song "golden afternoon" to see if we could name all of the flowers. We have also been sharing some beautiful books illustrated by Britta Teckentrup.

### Year 3

Year 3 have really enjoyed looking at the Christian message of Easter by retelling the story in their own words. This has helped us to think about how we will be celebrating Easter this year. In maths, we have been looking at how best to solve word problems. Using the six steps of RUCSAC to support and also drawing pictures to represent what is happening in the maths problem. We have thoroughly enjoyed having the children back in school for the last part of this term and can't wait to see them all back after the Easter break.

### Koboca Results - Squats Challenge

The last Koboca challenge of the term saw all our learners completing as many squats as they could in 30 seconds for EYFS and Key Stage 1 and 1 minute for Key Stage 2 respectively.

#### Results

Year 4 - 2nd

Year 3 - 4th

Year 2 - 1st

Year 1 - 1st

We are so super proud of all our learners who have shown such determination and team spirit throughout all the Koboca challenges this term. We look forward to more challenges and sporting events during Summer Term 1.
