

Snapshots of the Week

Week: 05 July to 09 July 2021

This week...

Year 2

We have been learning how to join materials and make the joins stiffer and stronger in order to make something for the wildlife in our school grounds. This week we made a prototype from our designs. We cannot wait to receive our "quest" from Mrs Wood as this will inform our design brief and we will establish our design criteria from this. Once we have made our wildlife products, we can see how successful we have been by evaluating our products against the design criteria.

Reading

Well done to all our fabulous learners out there who are reading, reading and reading some more! We have just reached 361,216 minutes across the two Broadstone schools, so we are very close! You can make a huge difference! Parents are the most important educators in a child's life – even more important than their teachers – and it's never too late to start reading together. Evidence suggests that children who read for enjoyment every day not only perform better in school than those who don't, but also develop a broader vocabulary, increased general knowledge and a better understanding of other cultures and the world around them. In fact, reading for pleasure is more likely to determine whether a child does well at school than their social or economic background. So, do please pick up a book and read, read and read some more!

Year 1, 2, 3 and 4 Sports Day

Wow!! Well it might have taken us a delay of two weeks and a change of venue for all our BFS learners in Key Stage 1 and 2 to get their much-awaited Sports Days but it was so worth the wait.

Two days of SUN, resilience, enthusiasm, team spirit and 100% enjoyment were on display as our learners jumped, pulled, balanced, threw and sprinted their way around all their respective events. We couldn't be any prouder of all of them.

A massive thank you must go to all the Sports Ambassadors for the fantastic job they did in demonstrating each event and encouraging the children on their way round the course. Also, to all our staff at BFS who made both days so enjoyable for all our learners and work so hard with me to ensure sport and physical activity is an integral part of every learner's day at BFS.

So, to the winning house... The winning house for the BFS Sports Day for 2021 is Clarendon!
