

Snapshots of the Week

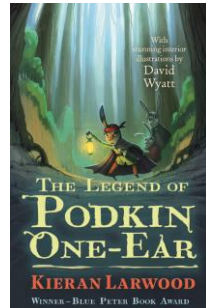

Week: 17 May to 21 May 2021

This week...

Year 3

This week in Year 3 we have been learning all about how to tell the time. We will be continuing this next week and hope that all our learners will become more confident in telling the time using an analogue clock. In English, we have begun reading the story of Podkin One-Ear. This is a great story that the children have all thoroughly enjoyed. It is a fantasy story filled with adventure and magic! We cannot wait to discover what will happen next in our story.

After School Sports Clubs

As we enter our last week of after school sports clubs for Summer Term 1 next week, I would like to say a massive well done to all the learners from EYFS through to Year 4 who have attended their respective year groups club throughout this term and shown so much enthusiasm for everything that has been asked of them. I can't wait to see you all again next term.

EYFS Challenge

This week has seen EYFS competing in a running for distance challenge. All of EYFS performed incredibly well with all learners from across the year group completing two laps of the playground. A massive well done to Bluebells this week who posted the quickest individual time of 59seconds and win back "Charlie Bear".

School Council

We would proudly like to introduce you to our school council representatives from across the school:

- Reception – Xavier and Grace P
- Year 1 - Florence and Isla F
- Year 2 – Chole S and Mayia
- Year 3 – Max and Daniel
- Year 4 - Tyler and Dexter

These learners have been elected to put the children's voices forward for the remainder of this school year and into the next academic year (excluding year 4).

This week was the first official meeting where they discussed the role of the school council and explored the parental responses for house names.

Donations

Perhaps you have had a clear out over the Easter Holidays or have any of the below items that your child may no longer play with. We are not asking for anything new, second-hand donations in good condition would be perfect! We would be so grateful for any donations of:

- Lego
- Board Games
- Jigsaws
- Sewing/Cross-Stitch
- Crafty Items

In light of the current COVID guidance large tubs will be placed outside the school at drop off and pick up should you have any of the above items you would like to donate. We will then be able to leave these for 72 hours before sanitising and using.

Reminders for next week...

PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

Reception – Tuesday and Wednesday

Year 1 – Monday and Tuesday

Year 2 – Thursday and Friday

Year 3 – Wednesday and Thursday

Year 4 – Monday and Tuesday

Race for Life – Please come in PE Kit

Bank Holiday and May Half Term

UBC

We are excited to share with you that one of the ways we can offer this is through the 'University of Broadstone Curriculum.' The University of Broadstone Curriculum will allow each child in Year One to Year Four to undertake a chosen module every Wednesday afternoon.

We ask each child to make four choices and they will be placed in one of the modules they have chosen. Please submit your child's UBC choices by Wednesday 26 May 10am via the form below:

<https://www.broadstonefirstschool.co.uk/ubc>
