

Broadstone first School
Allocation of Catch-up Premium
Amount Allocated £ 24,000

Rationale	Spend	Cost
During the Autumn term we were affected significantly by the absence of teachers needing to self- isolate. Key interventions for phonics were not happening because the need for cover in classrooms.	Fixed term, part-time contract for an additional member of staff to deliver phonics sessions and inputs to pupils	£6173
When the Lockdown in January was announced we realised that many pupils were unable to access, let alone catch up because of lack of devices. Allocation from the DfE did not meet the needs of our families. We also needed to ensure that provision at home and in school was matched so as not to create a disadvantage for those in school or accessing remotely.	Cover shortfall from PP strategy to ensure every PP child receives a Chromebook device	£292.33
	Purchase of devices to ensure all pupils in school have access to a device.	£14,175.25
On return we noted that reading ages had dipped. Our whole school strategy informed but EEF had an element of whole class reading. Also identified need for phonics scheme reading books.	Purchase of reading books	£479.23
	Purchase of RWI book	£2,900.95
		£24,026.76
