Dear Parents/Carers

BBC Children in Need Fundraising

Broadstone First School is excited to be joining with many others around the UK to participate in the Children in Need fundraising programme. BBC Children in Need is a chance for us to do something amazing and help change the lives of young people in communities across UK, especially as the impact of Covid-19 has left many children facing increased challenges, such as loneliness and isolation, illness and poverty.

On **Friday 19 November**, all children are invited to come to school dressed in bright colours or spots in exchange for a suggested donation of £1 which will go directly to the Children in Need Appeal.

Black buckets will be out the front of school, for children to place their donations in.

Let's make a big difference to the lives of children across the UK. Thank you for your continued support!

Best wishes

Rebecca Wood
