Dear Parents/Carers

Nativity Performance

With Christmas Day fast approaching, the festivities in Reception are busily underway. As a part of their current module 'Let's celebrate' the children are learning about a number of different celebrations and the significance of these.

At the end of this module our learners will be faced with the Quest to put on a performance to celebrate Christmas with their family. This Quest ordinarily presents itself as a Nativity Performance, a performance that we all look forward to and one that is a lasting memory for all.

We have been closely monitoring the COVID situation locally and had hoped we were going to be in a position to hold a live performance, inviting families into school. Sadly, this is not the case and we are deeply saddened by this. We have closely looked at how we could mitigate risk, however everybody's safety within the community is our number one priority at present. We know this update will cause upset for you too, and how as parents, this is a milestone you look forward to.

Please rest assured the children will still be experiencing performing in school, learning all the knowledge that goes hand in hand with performing. As much as it is not the same as in person, we will be recording the performance and sharing this with families. A link will be emailed out with access to this, towards the end of term. We hope that you will be able to join together as a family and watch this special video at home with your child, celebrating their hard work.

As we will be sharing this link with all families, we do ask that you provide further consent for your child to be filmed and for this film to be shared and emailed out to parents within Reception. Please provide consent via <https://forms.office.com/r/e4pMc0iF8p> by 9am, Friday 10 December.

Best wishes

Rebecca Wood
