

15 December 2021

Dear Parents/Carers

Nativity Update

We have been busily rehearsing our nativity and we are so proud of all the children. Thank you to everybody who responded to confirm their consent with regards to recording. We have done a number of rehearsals in school, so all children have had the opportunity to experience performing without recording.

We will be sharing our nativity with you via Google Classroom. This can be securely accessed using your child's individual login and password which can be found inside the back of their reading logs. This a secure platform linked directly to your child's year group; we ask that you do not share your child's individual login details with anyone else.

The video will remain in Reception's Google Classroom until 31 December 2021.

We hope you enjoy watching this together and sharing all their hard work over the last few weeks. We are still so saddened that we were unable to invite you in and watch this in person. We hope you still enjoy.

Merry Christmas!

Best wishes

Rebecca Wood
