Parental Feedback- Your feedback counts!

At Broadstone First School we pride ourselves on constantly trying to improve our school. It is important for us to take time to reflect and seek your views as parents and carers about the direction of our school. It is really important for us that we know what you are thinking in order to further develop and improve what we do.

Below you will find a link to a form which has a number of statements that we would like you to answer based on your experience of our school. Please note that there is no provision for you to fill in your name. This is to ensure privacy and confidentiality and to enable you to be honest with your answers. However, we do ask that you indicate what year your child is currently in.

<https://forms.office.com/r/89Wn58FPHD>

If you have more than one child please complete a separate questionnaire for each as your views on some aspects of what we do may vary from child to child. Please complete this form by midday Thursday 21 October 2021.

We appreciate your support with this.

Best wishes

Rebecca Wood
