

Snapshots of the Week

Week: 27 June to 01 July 2022

This week...

Community Day - Hidden Gem

We are getting extremely excited from the donations we are receiving and therefore we are planning a staff/parent volunteer community day to help us put it all together!

This will be held on Sunday 10 July, 9am to 3pm. If you can just spare half an hour or a couple of hours please fill in the form below by Tuesday 05 July 9am:

<https://forms.office.com/r/ZQtmTjRN1b>

We will confirm with you by Wednesday 06 July as this is dependent on numbers of people and the British weather!

This Lad Can

This week 14 of our Year 4 boys travelled to Poole Grammar School to take part in a newly implemented event in the School Games calendar "This Lad Can" Our boys took in their stride all the challenges that came their way as they participated in a rotation of 5 events that tested their balance, agility, coordination and teamwork. Absolutely outstanding behaviour, manners and performances, were displayed throughout the day by all our learners who were a credit to BFS.

Transfer Day

What a fantastic day! The children have spent time in their new classes with their new teachers.

They have been involved in exciting activities as they have got to know new classmates and familiarise themselves with new surroundings. We are sure they will be full of exciting stories to share with you this evening.

Reading

Parents can help develop fluency by encouraging children to reread favourite books over and over again. With each reading, you may notice your child reading a bit easier, a bit faster, and with a bit more confidence and expression. This isn't cheating! This is a valid technique called repeated reading. A fun way to practice reading and build fluency is to have your child create her own audio books. This can be done simply with a recording feature or app on your phone. Children often pick up their own mistakes and areas to improve just by listening back to themselves and they improve really quickly. This is often a strategy used in speech and language therapy. A lovely half term project as sharing your audio recordings with family and friends is a great motivator!

Parent and Visitor Parking

Please can we remind all families to adhere to parking regulations on Tudor Road and on those roads surrounding our school. The double yellow lines and zig zag lines are there to keep everyone safe and we politely ask that none of our family's park on these.

Reminders for next week...

Monday 05 July 2022

INSET Day

Clubs

Morning Clubs and After School Clubs will run as normal.

PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

Reception – Wednesday and Friday
