

Snapshots of the Week

Week: 28 February to 04 March 2022

World Book Day

We had a fantastic day celebrating World Book Day on Thursday and there were so many fantastic costumes from the learners and the staff too. During assembly, we shared a whole school story and we were given some clues to try to guess the teachers and LSAs favourite books as children.

There were also plenty of opportunities to share stories in our classes over the day and each class had a different teacher read to them at the end. The learners were also given their £1 book voucher and we hope you enjoy choosing a book together.

PE

What a great first week back we have had in our PE lessons. The learners have embraced their new modules with the same "Can do attitude" and resilience that they bring to every lesson. This term across the school we will be enjoying sports from tag rugby and netball to invasion games, circuits and dance.

Table Cricket

Super excited this week to have Rob from Dorset County Cricket re-join us to deliver the first of three table cricket sessions to some of our Year 3 and 4 learners. Our learners had a great time trying out this new sport.

Weekly PE Challenges

This week I am pleased to announce the overall key stage winners in our Weekly PE Challenges for Spring Term 1. A massive well done to all our learners for the continued enthusiasm and competitive spirit they show each week. Bring on our Spring Term 2 Challenges!

The result are as follows:

EYFS – Pearls

KS1 – Emerald

KS2 - Topaz

Gymnastics Club

Our BFS learners from across the school continue to benefit from the new equipment purchased to increase the offer of activities available in both our gymnastics lessons and clubs. From balancing and rolling to aerial movements our learners are embracing all the new challenges and skills that come their way.

You asked... We answered

We are delighted to be bringing back the 'you asked, we answered' section of our snapshot of the week. This is where we share some of the questions asked by families. If you have a question please do email into the school office, as these questions and answers are sure to help all of our families.

How are children chosen for sporting events?

We have been invited to a number of events this year and as much as we would like to take all children to these, unfortunately we are instructed by the hosts running the event how many children we can enter. When selecting the children, we do this in a fair and consistent way. Each sporting competition is aimed at different groups of children including children who have never been to a school club, children who perhaps have a particular talent in a sport or children who we feel may benefit from an opportunity to shine outside the classroom and many more.

We are keeping lists of all children who have been involved and hope to run further events so that we can include more children in these fantastic opportunities.
