

Snapshots of the Week

Week: 03 May to 06 May 2022

This week...

PE

What a fabulous week Year 1 have had with their dance module. The most amazing group dances were created by the learners as they took on the challenge of moving as fireworks. Well done everyone!

Clubs

Our BFS craft club continues to grow in popularity term on term across all our year groups from EYFS through to Year 4. We hope you are enjoying all the fabulous creations that are making their way home to you.

Lunchtimes

Another week another massive step forward in the progression of Lunchtimes at BFS. This week has seen the focus move inside to the hall. A whole new restaurant feel layout with new tables and individual chairs was launched and as expected our learners immersed themselves in the new BFS restaurant experience and showed behaviour that has blown us away.

Year 1

This week we have been busy designing and making our brooches for the Queen's Jubilee. The children thoroughly enjoyed this and came up with some great ideas. They worked really hard on their final product. We also took part in dance for our PE session this week. The children worked in groups to perform a dance sequence to the rest of the year group by the end of the lesson. They all did so well and performed in unison, remembering to count and finish in a final position.

Year 3

Year 3 have been researching the ancient Neolithic settlement of Skara Brae. Some of the artefacts have given us clues about how early farming began. We have also begun our new class book: Kensuke's Kingdom. The learners have been making some excellent predictions based on the blurbs already!
