

Snapshots of the Week

Week: 06 December to 10 December 2021

This week...

PE Lessons

As the autumn term draws to a close we have spent this week in our PE lessons assessing what we know. EYFS and Year 1 have been blowing our socks off with their gymnastics skills from jumping and balancing to travelling and rolling (do ask them to show you their sausage roll!)

In Year 3, Miss Burke got the pleasure of watching the dance routine they have been learning. All the learners performed with such enthusiasm, just amazing!! Year 4 have continued to excel in all aspects of their tag rugby module. Year 2 have been greatly missed this week but I'm looking forward to catching up with them again soon so they can show me their gymnastics skills.

We are super proud of all our learners at BFS and the continued enthusiasm and fun they bring to each and every lesson!!

Year 3

Year 3 have been enjoying getting into the festive Christmas spirit by reading The Nutcracker and describing a lavish Christmas party scene. We continue to work on our 3, 4- and 8-times tables in maths, exploring sharing and grouping strategies for division. In learning to learn, we have devised some actions and chanting to remember the definition of transparent, translucent and opaque for our Knowledge Organiser work - ask a Year 3 learner to show you!

Year 4

Year 4 have loved making electrical circuits this week, finding ways to make buzzers buzz and bulbs light up and experimenting with the uses of switches and other insulators to break the circuit. Next week we are going to put our knowledge of electricity to a practical use as we create something special to bring home. Watch this space!

Reading

We have a growing number of books which have been purchased from our Amazon wish list for our library we are very grateful for these and we are putting a sticker in each book to say who has kindly donated it. However, we have some books which have arrived without the name of the sender so if you think your book might have arrived anonymously, please let the school office know.

Here are the books which have been donated so far...

Please see the below link for the Amazon wish list if you would like to help us widen our selection of books. Thank you.
