

Snapshots of the Week

Week: 07 February to 11 February 2022

This week...

Year 2

What a fantastic few weeks we have been having in year 2! We have been learning how to use knives, peelers and graters safely in order to design and make a sandwich for our customers. The children amazed us with their knowledge of food groups and independent application during the making of sandwiches. I'm sure the best part was definitely when we got to eat them! We have also been completing a variety of science experiments to learn how our bodies stay healthy. From using a heart monitor to measure our heart rates when exercising, to using magnifying glasses to inspect and observe the effect of handwashing, all our learners have shown great enthusiasm.

Year 3

Our Year 3 learners have worked so hard during this module and we are delighted that they have put their knowledge and understanding to the test in the Quest this week. Their persuasive letters encouraged so many of you to come along to the Soup Stall. The soup making has been a real success and seeing them proudly selling it on their Soup Stall has been wonderful. Well done to our Year 3 learners and thank you to everyone that supported it. We look forward to sharing the amount we raised with you next week. Proceeds are going to Routes to Roots.

PE

With the end of Spring Term fast approaching we have used our PE lessons this week to assess and recall what we have learnt in our PE modules this term. It has been lovely to see what progress has been made and the difference that some of our new equipment has made in boosting confidence and all-round engagement in lessons. In our Weekly PE Challenges for last week our Key stage winners were as follows:

- EYFS - Passing for accuracy - Opals
- KS1 - Catching for accuracy - Coral
- KS2 - Longest Skip - Topaz

Yoga Club

It has been amazing to see the popularity of yoga club grow from its introduction in Autumn Term 1. Our learners from EYFS through to Year 4 work together week on week practising their yoga poses, relaxation techniques and mindfulness. Well done everyone for the continued enthusiasm you bring to every session.

Reminder

Please can we remind you that children should not be bringing rucksacks into school. The only items they need are the below:

- Lunchbox
- Drink
- Bookbag
- Coat/Jacket
