

# Snapshots of the Week

## Week: 20 June to 24 June 2022

This week...

### Year 2

What an exciting week we have had in Year 2. On Wednesday our learners took a trip to the Oceanarium and Russell Cotes Museum in Bournemouth, to further their knowledge of habitats in Science and our class text in English. The learners were fantastic, soaking up the amazing learning opportunity, whilst being beautifully behaved and respectful throughout. Some particular highlights of our visit were visiting the penguins and sharks in the Oceanarium and seeing the poems they had read in class during our time at the museum. Well done Year 2, we hope you all had a wonderful time!

### National School Sport Week

In support of National School Sport Week 2022 BFS have enjoyed using part of their PE lessons try out some new inclusive games and personal challenges. These were aimed at engaging and exciting our learners and embedding the concept that there is a place for every young person to belong in school sport.

There is so much that all our learners can gain from school sport, connecting with others, developing important life skills and improving both their physical and mental health. A fantastic week with lots of fun had by all.

### This Girl Can

10 Year 4 Girls attended the "This Girl Can" event at PGS last Friday. The solely girl event is aimed at giving girls a day of positive sporting experiences in a fun and friendly environment. Our learners rotated around 4 different activities putting their team work, balance, coordination and speed to the test. So super proud of our girls who engaged in every activity with massive smiles and enthusiasm for every challenge that came their way.

### Primary Commonwealth Games Festival

This year BFS were awarded a place at the Primary Commonwealth Games Festival at Bryanston School for all our work with engaging our learners in after school sporting clubs. Our learners got the opportunity to try their hand at quidditch, dance, table cricket and orienteering. They were also lucky enough to meet Jamie Barrow the world's fastest snowboarder who gave our learners some inspirational words and lots of encouragement for the day!

### Quad kids

12 Year 3 and 4 learners battled through the rain at BMS to compete in the annual Quad Kids Athletics Festival a rotation of two field events and two track events. So proud of the teamwork on display across our Key Stage 2 learners. A massive thank you to all the parents/carers that came along to cheer BFS on.

### Reminders for next week...

#### Clubs

Morning Clubs and After School Clubs will run as normal.

#### PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

**Reception** – Wednesday and Friday

**Year 1** – Monday and Wednesday

**Year 2** – Monday and Thursday

**Year 3** – Tuesday and Friday

**Year 4** – Tuesday and Thursday
