

Snapshots of the Week

Week: 23 May to 27 May 2022

This week...

School Games GOLD Award

In March 2022 we were finally given the go ahead that on the lifting of COVID restrictions BFS could once again begin to engage in sporting events and festivals. To date 119 learners have represented BFS at 10 different sporting events with another 6 events planned for Summer Term 2

We are extremely proud of our learners for their dedication to all aspects of physical activity and school sport. At BFS we are committed to using the School Games alongside our internally run after school sports clubs, PE lessons and interventions to engage all our learners in physical activity and sport ensuring positive experiences.

We believe in the power of physical activity and school sport as a school and are once again so proud that all our efforts to have been recognised with the School Games Gold Award for 2021/2022 Academic Year.

School Games Dance Festival

10 of our KS2 learners headed off to The Cornerstone Academy this week to represent BFS in our second Dance Festival of the month. Our learners took on all the challenges that came their way, engaging in the creation of small dance routines and WOW what an incredible job they did. What a great way to sign off Summer Term 1, super proud of you all.

Queen's Jubilee

Everyone has had a fantastic day celebrating the Queen's Jubilee. The learners enjoyed a party full of treats and then played games in the spirit of royalty including pin the tail on the corgi and musical thrones. The learners have loved learning the National Anthem and we ended the celebrations by singing this in a whole school assembly.

A big thank you to everyone who baked a Jubilee themed cake for our competition. We were wowed by the number of cakes entered and the quality and time spent on the decoration of the entries was amazing, making it so hard for the judges to choose the first-place cake. We hope you enjoy eating them. What a fantastic way to end the half-term.

Year 3 Stonehenge

Our Year 3 learners ventured to Stonehenge on Thursday as part of their topic. They discovered what life was like in Neolithic times. During this Discovery Visit, learners became archaeologists, discovering Stonehenge through a variety of models and artefacts to answer key questions. This was followed by hands-on activities at the Neolithic houses.

PTA – Sports Day

As you all know we have our sports days coming up. Whilst you all watch the children join in with their various races and activities, we thought it would be a good idea to keep all the spectators topped up with drinks and snacks. This means we will need helpers to support us to run our refreshment stall. We will need helpers for setting up, running the stall and tidying up afterwards. If anyone has any spare time, even if you can only help for an hour then please get in contact with us via bfsppta18@yahoo.com or find us on our Facebook page Broadstone First School PTA.
