

Snapshots of the Week

Week: 25 April to 29 April 2022

This week...

Lunchtimes

Wow what a fantastic week back!!! Our learners have seen the offer of activities available for them to engage in at lunch time grow once again with the grand opening of both the Lego and Craft Sheds. Our learners now have a plethora of activities and zones to visit from the Library and ICT inside to Sports, Choir, Play Equipment, Trim trail, Lego Shed, Craft Shed to our Games and Quiet areas outside.

Our Buddy bench kindly donated by our PTA has also made its way out into the playground this week for our learners to sit and have a chat on with our playground pals should they so wish.

PE

After a two week break our learners returned to their PE lessons with the enthusiasm and passion to learn that I have become accustomed to. This term our Year 4 learners will be learning some Hockey skills whilst our Year 3's will be exploring some dribbling and passing in their football module. All our KS1 learners will be looking at Movement and Dance and our youngest learners will be learning about and playing some Invasion Games

Clubs

One of our new clubs this term Boogie Bounce was a massive success this week. There was no time for talking as the children bounced the session away. To say we had a few sweaty learners at the end of the club was an understatement. Well done everyone super proud of you all!

Year 3 Residential

The Year 3 learners had a fantastic time on the residential trip! They all tried lots of new foods and activities and we couldn't be prouder of how they rose to every challenge! We fully emersed ourselves in stone age life with activities including flint napping, leather tanning, cooking on the fire, making a wattle and daub wall and of course roasting smores and singing around the campfire. We would thoroughly recommend the Ancient Technology Centre trip to future Year 3 learners and are looking forward to the long weekend to catch up on our sleep!
