

# Snapshots of the Week

## Week: 27 September to 01 October

This week...

### Wise Up Team Building Event

Despite the weather on Tuesday, the children had great fun participating in the above event. Developing children's social skills is incredibly important. The activities encouraged our children to learn when to step up and lead, and when it might be better to let others take charge.

### Physical Education

Even the rain hasn't been able to dampen our learner's enthusiasm in our after-school sports clubs this week. When the rain came down, we switched Year 2 multi-sports and Year 4 Football/Netball Club respectively inside for a fantastic game of Bench ball. Well done to all involved, your resilience and "Can Do" attitude never fails to shine through.

### Reading Fact

READING FOR  
**6 MINUTES A DAY**  
REDUCES STRESS  
BY 68%.

### Year 1

We have been practising our throwing and catching skills in PE using bean bags, footballs and tennis balls, the children were showing more confidence with this. The children have continued to learn about a hero from the past and have remembered so many facts about each person, including Mary Seacole, Emmeline Pankhurst and Stephen Hawking.

### Harvest Festival

What a fantastic Harvest celebration we had today! Thank you so much for all the donations. We have filled the back of the hall with tins and packets that we will be passing onto our local food bank.

### Reminders for next week...

#### Clubs

All after school clubs and music tuition will be running as normal.

If your child attends Recorder Lessons please ensure your child has their instrument on the day of their tuition.
