Based on the number of children attending we are asking for a voluntary contribution of £9.78 per child. We would ask for payment via Parent Pay by Monday 23 May. Parents are reminded that if we do not receive sufficient contributions we may have to cancel the activity.

When you make your payment online it will also ask for you to provide consent in the form of a tick box. This consent is to ensure that you are happy for your child to attend the above off-site activity and you consider them to be in good health and capable of taking part in the activities detailed in this letter. Also, that you appreciate that staff in charge of the visit will take all reasonable care and will act in loco parentis in the event of an emergency. If you have any queries regarding the above please do not hesitate to contact the class teacher.

We greatly appreciate adult help and if you have undertaken voluntary clearance with us, and are available to supervise a group of children, please contact the school office. We will need you to attend a pre-visit meeting to ensure all helpers are aware of planned activities and Health and Safety issues.
