Dear Parents/Carers

**University of Broadstone Curriculum (UBC)**

Here at Broadstone First School we are passionate about preparing children for a life well lived. Just one of the ways we do this, is through our UBC offer. The University of Broadstone Curriculum provides opportunities for our young learners to extend their skills in areas wider than the National Curriculum.

Furthermore, we are excited to inform you that UBC will be returning for the Summer term. UBC will continue to take place on a Wednesday afternoon, where the children will be able to work with learners across the school on their chosen modules.

The first week of the children's new UBC module will begin on Wednesday 04 May and will last 7 weeks (please see the dates below). They will be placed in one of the four modules they selected at the start of the year.

Your child will bring home a letter outlining their UBC allocation before Easter and with any additional information you might need about what they need to wear.
