

12 October 2021

Dear Parents/Carers of Year 2

Educational Activity Off School Site

As we come to the end of our module 'Paye Day', it is time for our learners to complete their quest! This will include them creating a Harry Paye tour guide to Poole Quay and to support this we have arranged a trip to enable them to share this information with an adult.

Date of Trip: Thursday 21 October
Location: Poole Quay
Classes: Jade and Emerald
Group Leaders: Miss Crocker and Miss Ellis

We would like to invite a member of your child's family to participate in their tour. However, if this is not possible, we will ensure every pupil guides a member of staff, to enable all learners to fully participate. Please confirm your child's attendance and whether a member of your child's family will be attending by Tuesday 19 October via the form which will be text to you this afternoon.

**Your child's tour will commence at _____ and finish at _____ .
If you are able to participate the meeting point is: Pavers Shoes, The Quay BH15 1HH**

To enable everyone to participate the above times are not flexible and therefore we will be unable to wait if anyone is delayed. Similarly, the allocated time cannot be altered. We do appreciate this invitation comes at short notice; however, we have been unable to share this information any earlier, due to not wanting to ruin the surprise element of your child's quest.

There will be no cost associated with this school trip.

We would greatly appreciate adult help and if you have undertaken voluntary clearance with us, and are available to supervise a group of children, please contact the school office.

If you have any queries regarding the above please do not hesitate to contact the class teacher.

Yours faithfully

Ella Crocker
Class Teacher

Charlotte Ellis
Class Teacher
