Dear Parents/Carers

PTA

Thank you so much for everybody who has shown interest in wanting to join the PTA and become part of our new committee. We have been overwhelmed with your generosity to offer help and support in relaunching our PTA.

We currently have a number of parents who are interested in forming the committee and a large number of parents who we have been added to our PTA mailing list to support in volunteering at our events.

Our next step is now to form our new committee. We know many of you had questions and wanted to find a little more out about the PTA and the roles within. Therefore, for those of you who are interested in being a part of the main committee, we would like to invite you to a virtual question and answer session on Tuesday 1 November at 5pm. During this session, we will explore the roles of the PTA, how it is formed and past events in the hope this gives our families a little more information.

Should you wish to attend, please book your place by completing the below Google Form. We will then send you a link prior to the event.

After this we will then run an Extraordinary General Meeting (EGM) to vote in our new committee. The date of this will be Thursday 10th November at 5pm in the school hall. Please note this invitation extends to all families.

If you have any queries or questions please do contact the school office.

Best wishes
