

31 March 2023

Dear Parents/Carers

Module Quest

We are nearing the end of our module and would like to invite you into school on Monday 24th of April at 14:25, to celebrate your child's learning and to support us in raising awareness and money for two amazing causes.

Within this module the children have been learning about the wonderful world around us, looking at different countries, the differences in houses and how different people live. The children have been learning how there are lots of people in the UK who can't afford healthy food and so they rely on foodbanks run by charities to help them. Furthermore, we have looked at this topic on more of a global viewpoint and want to help both locally and globally.

Therefore, we invite you to support us in doing so. On the afternoon of the 20th of April, our amazing Reception learners will be taking part in a sponsored event that showcases their PE skills. Alongside this, they will be performing their African drumming routine and singing.

Supporting Local Food Banks

During the event, we will be opening a food collection point. We hope that you may be able to bring in some dried food products (cereal, tinned goods, pasta) that we will then be able to distribute to our local foodbank that supports our community.

Ripple Effect

Ripple Effect, aims to force change in rural Africa by helping people grow their own futures – on their own land, on their own terms. Through our sponsored sport event, we hope to raise enough money to reach the target of donating a cow to an African rural village. We are aware that asking for sponsor money can be added pressure to families and we want to reassure you that every little bit really does count, so please do not feel there is an expectation to donate large amounts; there will be a donation collection pot. On looking at the target, we would only need each child to raise somewhere in the region of £3.50, which together, will enable us to reach our target of donating a cow.

The children will be bringing home their leaflet about these 2 charities to share with you over the Easter holidays.

We look forward to welcoming you into school and thank you, as always, for all your incredible support. If you have any questions, then please do get in contact with us.

Best wishes

Tom Ball Tanya White
