

Snapshots of the Week

Week: 08 May to 12 May 2023

This week...

The Link

All the learners in The Link have had the opportunity to join a music therapy session. They all listened well, taking turns to play the instruments and in time with Rachel. They joined in with movements to represent the pitch of the note and experienced new instruments.

Year One

We have been very busy designing and making this week in Year 1. The learners were given a design brief to make a flag for the Coronation. It had to show reference to our country and the Royal family. The learners spent time designing a few different flags before choosing their final one. They had to choose which method of joining they thought would be best and then they began to make them. All learners really thought about how their flag would look and what was the best material to use. The flags they created are fantastic and we are really proud of them.

Year Four

We have had an incredible week in Year 4 at both our residential trip to Hooke Court and also at school. The children have got up to some exciting Roman Themed activities, including making shields, catapults and Roman Food, in addition to learning more about what life was like in Britain during the Roman period. It has really helped to bring the Roman period to life for our learners.

Young Journalists

We went to Hooke Court and when we got there we met a nice lady called Amy, she set out some tables so we could do cooking. Some of the things we cooked were stew made with nice vegetables, sweets made with dates and sultanas, savoury bread and sweet bread. Then we wrote in black ink on roman paper, we wrote our Roman names and a Roman date. We made clay candle holders and learnt about in life of a roman and set of to our cosy beds.

King Charles III Coronation Celebrations at BFS

On Friday 05 May BFS was transformed into a sea of Red, White and Blue as we invited our learners to come into school decked out in outfits of their choosing that represented the colours of the flag of the United Kingdom. We invited children from two local nursey settings into school in the morning to take part in some arts and crafts activities, enjoy refreshments with members of our school council and engage with a story about the King's Coronation where the nursery children got to choose the king's breakfast (cereal, sausages and watermelon) and mode of travel to Westminster Abbey (skate board, scooter and monster truck which was great fun).

In the afternoon our learners got to spend time off timetable creating crowns, flags, coronation collages and using their coronation photo booth props to make some incredibly memorable photos all whilst enjoying party food with their classes. We also had the pleasure of welcoming 17 residents from Burwood Nursing home to enjoy a cream tea, be wowed by some of our learner's fabulous coronation creations and finally listen to our BFS coronation song "The Sound of the Trumpets" and the learner's rendition of "God Save The King".

A massive thank you to everyone who visited us and made our BFS celebrations so memorable.

PTA goes live on Instagram

In the coming weeks we will be sharing ideas and more information about the sponsored book bus appeal as well as future events we will be arranging. So, get following; just search for Broadstone First PTA!!
