

Snapshots of the Week

Week: 10 Oct to 14 Oct 2022

This week...

Reception

The children in Reception have been learning about measures; they have been comparing sizes. They took their shoes off and compared the size of their feet with their friends' feet and they have sorted themselves into height order. They have been enjoying dough disco every morning to strengthen their hands and fingers for writing. The children are continuing to practice their cutting skills in readiness for their Quest.

Year 4

We have just come to the end of our module, 'We Shall Remember Them'. We have really enjoyed this module and are excited to move onto our next module, 'A Good Egg'. We have two fantastic trips coming up in the first week back after half term, so watch this space and please don't forget to sign the consent forms!

Young Journalists Article - Obsidian and Onyx arrive at BFS!

Two new classes have joined BFS in The Link this term. In the Link the two classes are called Onyx and Obsidian. A teacher told us "We chose these names as we wanted to match the theme of the other classes across BFS as well as having two of our own gems that were the same colour". Obsidian is the Year 1 + 2 class. Onyx however, is the early years class for the younger children.

Every day, in Obsidian and Onyx there is lots of interesting learning. The children learn about Maths, Science and P.E. They have also been learning about their senses and different shapes this term. On Wednesday the learners take part in UBC and love their chosen modules. However, something different that happens in Onyx and Obsidian is Bucket Time. Bucket Time is an extraordinary time when mysterious things are placed in a bucket and the children have conversations about the objects inside.

One learner at BFS said she was really excited to have the new children at school.

Welcome Evenings

It was lovely to see so many of you at our Welcome Evenings. For those that were unable to attend, we have now uploaded all the slides onto our school website, under the teaching and learning tab.

Sports Ambassador Training

Eight of our Sports Ambassadors were invited to attend the Poole and East Dorset Playground Leaders Academy on Monday at Ferndown Sports Centre. Along with many other schools from the surrounding area the children participated in a variety of workshops.

The workshops were all aimed at aiding the Ambassadors to promote the positive values of sport and a healthy lifestyle through increasing participation in physical activity at their own school during the lunchtime period. The Sports Ambassadors engaged in all areas of the training from the planning to the delivering and supporting of all age groups in a variety of sports and activities.

Broadstone First School can be proud of the way our learners represented the school with exemplary behaviour and thrilled that they all walked away having achieved Bronze Ambassador status. We look forward to taking our other Year 3 Sports Ambassadors next year!

Reminders for next year...

Clubs

Morning Clubs and After School Clubs will run as normal.

PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

Reception – Tuesday and Wednesday

Year 1 – Monday and Tuesday
