

Snapshots of the Week

Week: 21 Nov to 25 Nov 2022

This week...

Year 3

This week in Year 3 the children have been putting their computing skills to the test to create an Ancient Egyptian presentation for their Quest. The children have been amazing at inserting pictures and text boxes and using animations and transitions to make their slides appealing to an audience. They are very excited to be able to showcase their hard work to families!

Year 4

In Year 4 we have begun a new whole class reading book - 'The Miraculous Journey of Edward Tulane'. We have all been very surprised at how vain and spoilt the main character is, and have been making lots of predictions about what will happen to him in the story. We have also started a new module, 'Get Switched On' and have had a go at making our own circuits with lights, buzzers and switches. We are excited to begin the designing and making part of the module, creating working circuits in handmade cards.

House Points

We are really excited to announce this terms house cup winners reward day. We are honoured to welcome James Williams of Premiership Rugby Club Bristol Bears. James is coming in to share his journey into professional rugby, lead a non-contact session and answer any questions our learners may have. This is a wonderful experience for the winning house, and we cannot wait to share this moment with our learners. This will take place on the 15 December and the final count for house points to decide our winner will be on Monday the 12 December. All houses are very close in scores at the moment, so we hope this gives our learners an extra push to get as many house points as they can between now and the 12 of December.

BFS do their bit for Children in Need 2022

At BFS, we have been supporting Children in Need this year.

On Friday 18 November learners and staff came to school wearing their pyjamas. Everyone that joined in made a small donation to help raise money for Children in Need. In total the school raised £322.00.

One of the Year 4 learners told us "It was so much fun coming into school in our pyjamas it made me feel really cosy!".

Everyone's kind donations will go towards the national campaign to support children and young people through the cost of living crisis.

Authors:

Ben, Edris and Tommy

PE

The dancing has continued this week in Key Stage 2. Our year 3's donned their imaginary cowboy hats as we switched genre's and started to look at some fun and quick paced country dancing moves. In year 4 we stuck with our Foxtrot but started to explore ways of improvising our dance. So, thrilled with the "can do attitude" all our learners have continued to show with the challenges our Dancing module has thrown up for many of our learners.

Reminders for next year...

Clubs

Morning Clubs and After School Clubs will run as normal.

PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

Reception – Tuesday and Wednesday
