

Snapshots of the Week

Week: 27 Mar to 31 Mar 2023

This week...

Reception

Reception have had a very busy week. We have been practising lots of physical skills, including galloping, skipping and ball skills. We have been checking the children's Phonics progress and we are very proud of all the children; we want to thank parents at home for helping with this. In Maths this week, we have started learning the names of 3D shapes and we have been investigating which shapes have the best properties for building and rolling. Finally, the children have started making their charity information leaflet to bring home and share with you over the Easter holiday.

Year 1

Well, we cannot believe that we have completed another term. The children have been amazing, and we are so proud of all the hard work they have done this term. This final week the children have been writing up the facts they learnt on our historical tour of Broadstone and been learning all about volume and capacity. A lot of fun was had by our learners measuring the capacity of different sized containers. Have a lovely Easter and we look forward to welcoming you back in the Summer term.

Football Festivals

The rain and bitterly cold wind of last week really tested all of our footballer's resilience. At Purbeck school 12 of our Key Stage2 learners battled on through the weather to complete a round robin of 7 games of football at a Developmental Festival with some great teamwork on display. 16 Key Stage 2 learners also headed to BMS where they managed to play 5 games of football against local cluster schools before rain stopped play. So super proud of all our learners an absolute credit to BFS each and every one of them!!

Pupil Premium – Free School Meals

Your child might be able to get free school meals if you get any of the following:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit. You must also have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if you apply on or after 1 April 2018, your household income must be less than £7,400 a year (after tax and not including any benefits you get).

Children who are or have been in care, and children who have a parent who is or was in the armed forces, are also entitled to pupil premium.

Ordinarily, schools have access to which students qualify for free School Meals and Pupil Premium which comes from a census conducted three times a year. However, in the current climate, we are very aware that circumstances may have changed very quickly with regards to a family's financial position and we would urge you to complete the application form via the link below if you believe you may now be eligible for pupil premium funding/financial support.
