Dear Parents/Carers,

Retrieval Workshop with your child - Monday 09 October

Following on from our Welcome Evening last week and the KS2 input on home learning, we are writing to invite you to our "KS2 Retrieval Workshop" on Monday 09 October from 3.10pm – 3.45pm.

This workshop will be an opportunity for you to come into class with your child/children and understand why we are so passionate about retrieval practice at BFS. During the workshop we will provide you with a structure to support home learning and further guidance on strategies to support your child learning their times tables and spellings. There will be an opportunity to trial using the flashcard prompted response system alongside your child. The Year 3 and 4 teachers will be available to support and answer questions you may have.

If you would like to attend this workshop, please can you indicate attendance by completing the below Microsoft Form by Thursday 05 October 2023:
