Dear Parents/Carers,

Parental Engagement Programme 2023 - 2024

Following on from our Welcome Evening last week I wanted to write to you with further details regarding our programme of events for parental engagement over the year.

Last year, you may remember we requested feedback with regards to the types of workshops and sessions families would like us run over the year. We have used this feedback to shape a new programme which is hopefully informative and effective for all. We have tried to include a range of morning, afternoon and evening sessions to suit all families and work patterns.

Below you will see the overview for the year. The dates and times for the Autumn Term are confirmed as below, please note due to the nature of a school and the changing of events that can come with school life we have just provided the months for Spring and Summer. As we move closer towards these, we will confirm further details and confirmation of dates and times.
