

Snapshots of the Week

Week: 26 Feb to 01 Mar 2024

This week...

Reception

The reception learners have enjoyed a visit from Dorset and Wiltshire Fire service. They have been learning about fire safety, the importance of smoke detectors and not playing with fire. Please ask your children about what they should do in the event of a fire. They should remember to 'get out, stay out, call 999'.

The children are beginning to use lined books for their handwriting in preparation for Year 1. Our maths sessions are now longer to enable children to develop their concentration and persevere with maths activities.

Year 2

It has been an incredibly exciting week for Year 2, Firstly, we were delighted to welcome the fire safety team into our school. They engaged our students in valuable discussions about all things fire and safety. The team's visit also tied in perfectly with our latest module, 'London's Burning', which has ignited much curiosity and enthusiasm among our learners. As part of this new module, we have delved into the captivating story of 'Vlad and the Great Fire of London'. The children have embraced this historical tale with great energy and interest. The learners have worked hard to create a magnificent story map, complete with actions to aid in retelling the tale. We are immensely proud of their creativity and the effort they have put into this. We encourage you to take a moment to ask your children to share their story map with you at home.

Year 4

Year 4 have had a fantastic week starting their new module 'Preserve and Protect'. They have been learning how to categorise and classify animals and plants. Furthermore, the children thoroughly enjoyed attending the musical theatre workshop at BMS to give them a taste of what middle school life is like. They all left full of excitement and can't wait to go back again! Year 4 also experienced a great PE lesson this week learning the basics of how to bat, bowl and catch in cricket.

Squash Development Session

Fourteen of our Key Stage 2 learners travelled to The West Hant Club this week to take part in a squash development session. Our learners put in 100% effort and did a fabulous job of embracing every second of the coaching on offer to them. The individual progress made by the end of the session was amazing. Our learners did Broadstone First School proud.

Multi Skills Festival

The latter part of the week saw thirty of our Key Stage 1 learners take part in a Castleman Academy Multi Skills Festival. Their balance, agility and coordination skills were all put to the test as they worked their way around a rotation of six activities. Really proud of teamwork and "Can Do" attitude that was on display throughout the afternoon.

Chance to Shine Cricket

Not even the rain and the wind could dampen our learner's' spirits this week as all year groups from Reception through to Year 4 got the opportunity to take part in a Chance to Shine cricket sessions. All our learners did a fabulous job at practicing their throwing and batting skills, incredibly proud of all of them.

Reminders for next year...

Clubs

Morning Clubs and After School Clubs will run as normal.

PE Day

Reception – Wednesday and Thursday
 Year 1 – Monday and Thursday
 Year 2 – Monday and Thursday
 Year 3 – Tuesday and Friday
 Year 4 – Tuesday and Friday
