

Snapshots of the Week

Week: 09 Oct to 13 Oct 2023

This week...

Reception

In Maths, the children have been learning all about patterns and how they can be repeated vertically and horizontally. They've been getting good at using the words 'vertical' and 'horizontal' to describe their own patterns.

We've been encouraging the children to look closely at themselves and see the differences between when they were babies and now. It's been a joy to show them old photos of their teachers and see their reactions. Thank you to those who have already brought in or emailed photos of your children that make them unique on a piece of A4 paper. If you haven't done so yet please print them at home and bring them in or email them to us so we can print them at school.

Year Three

This week in year 3 saw the start of our new module 'Fighting Fit.' With autumnal harvest, this time of year highlights the challenges of eating seasonally and allows us to investigate where all of our food comes from! Similarly, in science, we'll be asking whether what we eat can reduce our chances of becoming unwell.

Elsewhere, we have been recapping our year two common exception words in spelling and are super impressed at how the children have been able to recall these! Thank you to all the hard work children have put in at home in this regard - it's paying off!

School Council

This week saw Election Day at BFS, all learners headed to the hall to cast their vote to decide who would be the best candidate to represent their class in the BFS School Council. We were blown away by the number of children who put themselves forward and voiced their speeches, we were unbelievably proud! Well done everyone!

Sadly, like any other election we only have a limited number of seats on our School Council, we wish we could have more. Today during assembly, we announced our new School Council, they are eager to get started!

Sports Ambassador Training

On Monday our 8 Year 4 Sports Ambassadors travelled to Ferndown leisure Centre to take part in the School Games leadership training programme. Our learners completed a variety of workshops aimed at encouraging active playtimes being ambassadors and role models for advocating PE and school sport at BFS.

Reminders for next year...

Clubs

Morning Clubs and After School Clubs will run as normal.

PE Day

Please remember on your child's set PE day to send them in wearing their PE Kit.

Reception – Wednesday and Thursday

Year 1 – Monday and Thursday

Year 2 – Monday and Thursday

Year 3 – Tuesday and Friday

Year 4 – Tuesday and Friday

This week continued...

Carey Camp

What a great day we had at Carey Camp outdoor education centre with 5 of our year 4's this week. Our boys got the chance navigate courses blindfolded, crawl through tunnels traverse across poles, and use their problem solving and teamwork skills to solve challenges. A fantastic day was had by all with our learners showing great resilience. So super proud of each one of them.
