

Snapshots of the Week

Week: 11 Mar to 15 Mar 2024

This week...

Comic Relief

On Friday we held a non-uniform day for a £1 donation, to support Comic Relief. The collective effort resulted in a fundraising total of £259.36. Thank you everyone!

Reception

This week in maths the children have been ordering numbers from smallest to largest through a range of activities.

We have been looking at the pictures in the book 'Footpath of flowers' to work out what is happening. The children have also been identifying whether books are fiction or non-fiction based on the front covers.

In PSHE the focus has been on children knowing when they do or don't need to ask for help.

Finally, we have been practicing our performances ready for our Quest on 26th March. The children cannot wait to show you what they have been working on!

Year 2

In year 2 we have been focusing on the retell of our story Vlad and the Fire of London, which has really given the learners a first-hand account of what happened, how it happened and the affects it had on our society moving forward. This knowledge and understanding of The Great Fire of London has been crossed over into our history module, where the learners have been fascinated in becoming a historian and enquiring about different sources to find out more about The Great Fire of London.

Year 4

Year 4 have had an exciting week! They thoroughly enjoyed their trip to the heath with The Urban Heath Partnership where they looked at the human impacts and took samples of various plants. The children really impressed The Urban Heath Partnership with their knowledge and have now recorded their findings from the trip into a graph. Furthermore, Year 4 have used their knowledge to write a setting description about the heath and have started to plan a non-chronological report about it too.

Purbeck Football Festival

Twelve Key Stage two learners travelled to Purbeck School this week to take part in a football festival with eleven other schools from the Purbeck Sports Partnership. Our learners played in eight games with some fantastic teamwork and sportsmanship on display along with some great results 4 wins, 3 draws and one loss Well done to all involved.
