

Snapshots of the Week

Week: 20 January to 24 January 2020

This week.....

Y4 Scaplens Court

Year 4 had a great day at Scaplens Court and Poole Museum on Thursday. They were involved in solving a Roman mystery, weapons training, investigating Roman armour and looking at artefacts. We had a fun day!

Dance Festival

On Tuesday, 11 very excited Year 4 learners headed to Carter Community school to take part in Broadstone First School's first sports event of 2020, a Dance Festival. I was absolutely blown away by the enthusiasm and effort all of our learners showed when tasked with learning and assisting with the creation of choreography for new dance routines. All the learners were an absolute credit to school with their attitude, exemplary behaviour and manners. Super proud of each and every one of them. Next week BFS will be attending a Squash Festival and Multi- Skills Event.

Reading Champions

8 reading champions have been selected from able readers in KS2 who also display all of our school values and have the natural skill to nurture reluctant readers in KS1. We are incredibly proud of these reading role models and look forward to working with them to inspire a love of reading in the younger part of the school. To start with they will be concentrating on getting our new library up together and handing out new shelves and class reads to go with them. Exciting times ahead for reading at BFS with lots more to follow!

Y3 Clay Modelling

Year 3 have been busy producing their final abstract figures out of clay this week. They've learnt many techniques and we are so proud of the figures they have produced that represent our BFS values. They're looking forward to sharing their learning journey with other learners in our school community and will have a busy week next week as they prepare for this. We hope you'll notice the figures around our school environment soon!

Y1 Nurse

This week our Year 1 learners were lucky to have a Nurse guest speaker in from Poole Hospital. During the workshop, the children had the opportunity to learn more about the importance of hygiene and what the role of a Nurse is. They experienced hands on nursing as they learnt how to wash their hands properly and even had them checked just like a Nurse. Children learnt how to put a bandage on, how to feel for their own pulse and how to use medical equipment such as stethoscopes, syringes and even stitching up a prosthetic arm! What an amazing experience!

Reminders for next week...

Clubs

All clubs and music lessons will take place as normal this week.

Annie Rehearsals

3-5pm Friday 31 January 2020

Pick of the Bunch

During assembly on a Friday we award our Pick of the Bunch certificates. These are awarded to children who have really 'shone' in class and around school that week. During the assembly children will be invited to come and collect their certificate and receive whole school recognition for their hard work and achievement.

This week I am delighted to share some of the examples with you of what our amazing learners have done to receive their Pick of the Bunch.

Perseverance with a task even when it was tricky.

Excellent role model for our class. Always listening to instructions and putting in 100% effort.

Fantastic improvement in reading.

We would like to say a huge congratulations to all our Pick of the Bunch this week!

Parent Governor Vacancy

Just a reminder that we are currently seeking nominations for the parent governor vacancy – the closing date is Tuesday 28th January. Information packs are available from the school office or on the website (About Us – Governor Vacancies). Mrs Wood, Mrs Wilks or Caroline Amey, our Chair of Governors, will be happy to answer any questions you may have about this interesting volunteer opportunity within our school community.
