

Snapshots of the Week

Week: 13 January to 17 January 2020

This week.....

Library

We are excited to announce our new furniture has arrived for our library. Over the coming weeks we will be organising and creating a lovely calming space for the children to enjoy reading their books. We will show you photos as soon as it is finished!

Y1 Road to Recovery

This week our Year 1 learners had the opportunity to step back in time to experience what hospitals were like in the era of Florence Nightingale. Dressed up as Soldiers, Nurses, Doctors and Surgeons the children scrubbed the candle-lit hospital floor, treated injured patients and watched out for the disease ridden rats! They thoroughly enjoyed their drama workshop morning and much fun was had by all. A huge thank you to the children and their adults for a tremendous effort with outfits!

Y4 A Better Broadstone

Over the last few weeks, Year 4 have been investigating the potential impact of pedestrianising the centre of Broadstone. On Wednesday 15th January, the learners presented their findings in groups to a panel of experts which included Mike Brook, local councillor, and a range of local residents who each had a slightly different vested interest. The presentations were extremely professional and the Year 4 team were extremely proud!

YR From the Inside Out

Our youngest learners have started their new topic of 'From the Inside Out'. Last week they looked at the benefits of exercise on our bodies and set a challenge to their families to complete a swim, bike or jog for 30 minutes over the weekend. Thank you to all our families that took part and we look forward to setting the new challenge this week all about healthy eating.
