

Snapshots of the Week

Week: 03 February to 07 February 2020

This week....

Y1/2 Multi Skills Event

10 very excited Year 1 and Year 2 learners headed to PGS to represent Broadstone First School in the School Games Multi - Skills Event last week. All our learners were an absolute credit to the school showing great determination and teamwork when competing in each event. A massive thank you to all parents who came along to support us, the children and I very much appreciated it.

Y1 First Aid and Emergency Services

Y1 have been learning about first aid and then using their knowledge to help some of our first aider adults at lunch and break times. They have been gentle and kind and asked for help when needed to ensure they are helping appropriately. They have also learned about the emergency services and what number to call if they need an ambulance. They have enjoyed bandaging each other up in the role play and now have good understanding of basic hygiene and why it is important!

Y4 Badminton Event

This week 10 Year 4 learners headed up to Corfe Hills School to represent Broadstone First in a new School Games event Badminton Bonanza. All our learners had great fun taking part in lots of different skills and activities. Super proud of all their hard work and impeccable behaviour.
