

# Snapshots of the Week

## Week: 30 September to 04 October 2019

This week.....

### Reception PE Lesson

Super proud of Reception this week! Only their second PE lesson and just like the rest of BFS they got to try their hand at Indoor Curling and the Para Olympic Sport Boccia. Absolutely awesome effort by all of them.

### Year Three- Ancient Egyptians Board Games

Our Year Three learners have taken themselves out of their comfort zones this week as they have learnt a brand new skill in preparation for their outcome. The board game making has commenced! The children have had a chance to use a saw and cut the components for their game. An expert visit from Mr Smith from BMS, taught them all how to be safe whilst using tools in the classroom. We cannot wait to show you their final products.

### Primary Football Event

The rain held off long enough for 18 very excited boys and girls from across Key Stage 2 to head to Carter Community School for the first Poole Primary Football Event of the 2019/20 Academic Year. Both Broadstone First School teams excelled on the pitch with not only fantastic football on display but also all learners showing some of our School Games Values of sportsmanship, self-belief and teamwork. A big thank you must go to Mr Morgan and Mr Drozdowski for all their help in coaching the teams and to Mrs Lever for giving up her time to assist at the event. The continued support of all the parents, carers and family members at all Broadstone First Schools sporting events is overwhelming and very much appreciated by myself and all the learners.

### Harvest

What a fantastic Harvest celebration we had today! Thank you so much for all the donations. We have filled the front of the hall with tins and packets that we will be passing onto our local food bank. Our wonderful choir performed their harvest song to us all as well, which was a real treat.
