

Snapshots of the Week

Week: 04 November to 08 November 2019

This week.....

YR Memorial Walk

Our reception learners walked to Broadstone War Memorial in preparation for Remembrance Day on Sunday. Throughout the week the children have been making poppies and each class made a wreath to lay at the memorial for our local community to see.

Newly Refurbished Reception Areas

We are very excited to share our new environment with the rest of the school. Our youngest learners have been exploring and learning in our new area. The role play and construction areas are certainly very busy and the learners enjoy playing with their friends and learning together.

Chartwells Lunches

This was the first week of Simplicity lunches, the lunch team have worked very hard! Our children have enjoyed the freshly cooked food and have commented on how much they enjoy the meals. We are holding a taster session on Thursday 21 November from 2.30pm – 4pm in our school hall, all welcome.

The Choir

The year 4 choir had their first joint choir practice with the other schools taking part in the Poole Schools' Music Association Christmas concert at The Lighthouse. Our children were fantastic ambassadors for our school and they sung with enthusiasm. We are looking forward to the concert on Thursday 5th December. Tickets are now on sale at the Lighthouse box office.

Reminders for next week...

Clubs
