

Snapshots of the Week

Week: 07 October to 11 October 2019

This week.....

Broadstone Come Dancing!

Broadstone Come Dancing hit the stage this week at BFS. Our Year One learners blew us away with their spectacular dance moves. Over the past few weeks, the children have been learning the art of dance. From disco, ballroom to country our learners have been busy refining their dances. This learning experience has taken many children out of their comfort zone as they have developed a new skill and grown in confidence. We are unbelievably proud of each and every one of them who performed over the past two days, they truly are stars. Thank you to all the families who supported us in this event and for providing the wonderful costumes - we hope you all enjoyed the show.

PTA School Discos

A huge success for our PTA this week. The discos were brilliant. There was some great flossing, a brilliant snow machine and a teacher led conga. It was safe to say that all those that attended had a fantastic time. A big thank you to our PTA and all the volunteers who helped at the event. Now onto the next big event..... The Fireworks!

Gardening Club Update

Our gardening club have been busy planting up the flowerbed in the main playground with pansies for the winter. We hope that they will develop lovely flowers before winter comes! Please can you encourage your children, including siblings, not to walk round the walls or across the flowerbeds during drop-off and pick-up times. Likewise, the Reception children have planted seeds in the round bed in their playground so we would appreciate your support in keeping your children off this area as well. Watch out for a photo when the seeds have grown into yummy salad! Many thanks, Mrs McDonald and The Reception Team.

Year 3 & 4 Homework Club

This week saw the start of our new homework club for Years 3 and 4 learners. On each evening, we have had a good number of learners staying at school to complete their home learning alongside their peers. They have worked together to select cognitive strategies to help learn the key knowledge off their knowledge organisers. Do not forget this club is available for all of Year 3 and 4 on a Tuesday, Wednesday and Thursday, free of charge.

Annie Rehearsals

All our budding actors and actresses attended the first rehearsal last week. They spent the evening finding out about the famous play Annie, watching clips from the film to familiarise themselves with the characters and songs. It was great to see so many of our learners involved.

Corfe Hills Y10 Dancers

In our Year 2 PE lessons this week we were so lucky to have two Year 10 students from Corfe Hills School come down and teach us a dance. All the children had great fun learning a sequence of moves to the song "Your Welcome" from the film Moana.

Reminders for next week...

Clubs

All after school clubs and music tuition will be running as normal. Please ensure your child has their instrument on the day of their tuition.

PTA Meeting

Tuesday 15 October 2019 – 7pm

Open Evening for Reception 2020
